My goal is to read _____ total minutes during the Read-a-Thon.

Record the number of minutes you read on the calendar below or using 99Pledges. At the end of Read-A-Thon you have three ways you can submit your minutes:

1. Turn this form into your teacher.
2. Submit your minutes through 99Pledges on your personal fundraising page.
3. Submit online following this link bit.ly/read2023read or scan the QR Code.

Here's how it works:

1. Your student sets a reading minute goal.
2. Students and their families find sponsors to pledge money for their reading. Pledges can be per minute or a flat rate. Donations can be made online or with cash or check (payable to McKenny PTO). Create your own student pledge page online at: <https://app.99pledges.com/fund/hawks2023> or turn in pledges with the enclosed donation form and envelope.
3. Beginning October 28th, students can read to themselves or others, listen to audiobooks, and have others read to them. All reading outside of school hours is counted.
4. Students fill out their reading calendar (below) daily to keep track of how many minutes they have read. The last day to count reading minutes is Friday, November 10th.
5. Submit your minutes read and pledge money **NO LATER than Monday, November 13th**. You may turn in your Read-A-Thon Envelope to your teacher with this adult signed reading calendar **OR** you may input the information on a google form (link and QR code above) **OR** you may input the information on your personal donation page on 99Pledges. All cash and checks should be turned in to your teacher by November 13th, online donations close November 13th.
6. Once all the minutes are tallied, winners of Read-A-Thon prizes will be announced!
