

Online Donations through

This year we have partnered with 99Pledges again so that donations can be made online. This makes it easy to spread the word to family & friends across the country via email, Facebook, and Twitter. This allows friends and family to easily donate online, even from their phone! It also allows you to donate securely using a credit card or Paypal.

McKenny's Main Fundraiser page can be found at <https://99pledges.com/fund/McKenny2020>

Donations can be made on this main fundraiser page. However, in order to be eligible for the fundraising prizes, you will need to create an individual page for your child. *This step literally takes less than one minute.*

Adults, type into the search bar:

<https://99pledges.com/fund/McKenny2020/addme>

You will then be asked to add a name and email. Please **input your child's first and last name** and **your email address** and **select your child's grade level** from the dropdown list. It also allows you to add a second email if you would like. 99Pledges will email you a unique link to your child's fundraising page that you can then share on social media or via email. From here, people can easily donate. *If you have more than one child at McKenny, you will need to create a page for each one.*

If you need any assistance in setting it up or editing once you are signed up, contact Ingrid Aries at jamesandingrid@gmail.com.
