Article IX School Closure

In the event that McKenny Elementary needs to close and relocate its student population to other building(s) - temporarily or permanently - the existing McKenny PTO executive board at the time of the closure shall vote to determine the distribution of McKenny PTO funds to support former McKenny students in their new location(s). Fund distribution might include but is not limited to the purchase of school-related supplies and the transfer of monies to other PTO/PTA/Booster Club organizations at the receiving school(s).
